

## SOLUTION FOR BANKS

# Protection Across Branches

With Verkada, instantly strengthen critical security infrastructure across branch locations. Verkada's intelligent, plug-and-play video security system makes it simple to scale coverage and improve visibility from the lobby to ATMs.

## Why Banks Choose Verkada

### Scales With Ease

Cameras can be installed anywhere without the need of NVRs or DVRs.

### Monitor Anywhere

Access footage from any device — no downloads required.

### Protected From Tampering

A built-in accelerometer detects any tampering and sends instant alerts.

### Bandwidth Friendly

At just 20-50 Kbps in a steady state, scale without impacting your network.

### High Image Resolution

See events in high image quality, including options in stunning 4K.

### Share Feeds Instantly

Easily share live and historical footage via link or SMS.

### Prevents ATM Fraud

Install cameras inside ATMs to provide branch-wide coverage.

### Stays Safe & Secure

Traffic is fully encrypted and cameras receive automatic firmware updates.

## PCI Compliant Video Security

### 90+ Days of Storage

Simultaneous on-board and cloud storage for up to 365 days.

### Detailed Audit Logs

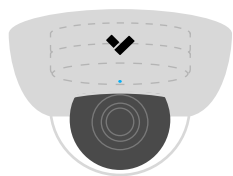

Instantly see activity across your organization from a centralized audit log.

### SAML/OATH Authentication

Integrate with leading SSO and 2FA security vendors including Okta, Duo and more.

# Hybrid Cloud Security Solution

## No NVR or DVRs

Industrial-grade solid state storage saves up to 365 days of video

## Easy to Scale

Bandwidth-friendly cameras operate at just 5-20kbps

## Centralized Management

Modern platform enables secure access on any device

## Security Cameras

### DOME SERIES

Built for durability, Verkada's Dome Series delivers enterprise-grade security in a wide range of options for any indoor or outdoor environment. Each dome features a discreet vandal-proof design, simple installation, and 8x more processing power than the previous generation.

### MINI SERIES

Designed for flexibility without compromising on image quality, Verkada's Mini Series delivers enterprise-grade security with powerful performance for advanced edge-based analytics. With minimal form factors, Verkada mini cameras are perfect for high-traffic indoor environments.

### FISHEYE SERIES

Verkada's fisheye captures footage in a dynamic panoramic 180°, with options for wide-viewing angles or breaking down any area into quadrants. Capable of being mounted inside or outside, this camera is suitable for any number of surveillance needs.

### BULLET SERIES

Verkada's Bullet Series delivers enterprise-grade security with leading edge-based processing and onboard storage in a new, bold form factor. Built to withstand the toughest environments, the Bullet Series features a sealed aluminum housing, ensuring cameras stay protected with an IK10 and IP67 rating.

### Industry-Leading Warranty

Verkada offers a 10-year product warranty included with the purchase of your Verkada system.
