

SOLUTION OVERVIEW

Modern Security For Safer, Smarter Communities

With Verkada, instantly strengthen public safety. Verkada's plug-and-play video security solution makes it simple to scale coverage while improving visibility across your town or city.

Why Municipalities Choose Verkada

Simple to Deploy

No NVRs/DVRs, thick clients, or added configurations — just a PoE connection

Stays Secure

Automatic updates ensure cameras have the latest features and security patches

Bandwidth-Friendly Connectivity

Cameras can be installed anywhere, including remotely with cellular modems

No Added Storage Costs

Each camera has built-in storage, removing ongoing infrastructure costs

Access Footage Anywhere

Whether onsite or remote, all cameras can be accessed from a single platform

Always Reliable

View footage from anywhere with 24/7 continuous coverage & offline access

Weather-Resistant Cameras

Outdoor cameras are IP66 & IP67 rated, ready for the harshest conditions

Increase Coverage, Reduce Crime

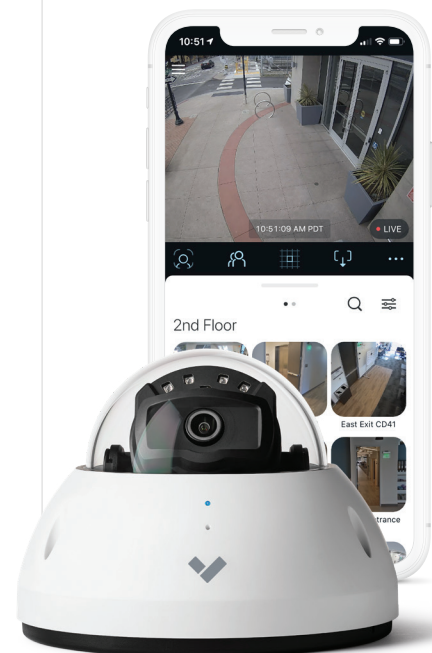

Day or night, cameras ensure visibility to areas where crimes may take place

“

Verkada cameras are flexible and versatile. We can put them anywhere, quickly. Same day, no questions.

Hybrid Cloud Security Solution

No NVR or DVRS

Industrial-grade solid state storage saves up to 365 days of video

Easy to Scale

Bandwidth-friendly cameras operate at just 20-50kbps

Centralized Management

Modern platform enables secure access on any device

Security Cameras

DOME SERIES

Built for durability, Verkada's Dome Series delivers enterprise-grade security in a wide range of options for any indoor or outdoor environment. Each dome features a discreet vandal-proof design, simple installation, and 8x more processing power than the previous generation.

MINI SERIES

Designed for flexibility without compromising on image quality, Verkada's Mini Series delivers enterprise-grade security with powerful performance for advanced edge-based analytics. With minimal form factors, Verkada mini cameras are perfect for high-traffic indoor environments.

FISHEYE SERIES

Verkada's fisheye captures footage in a dynamic panoramic 180°, with options for wide-viewing angles or breaking down any area into quadrants. Capable of being mounted inside or outside, this camera is suitable for any number of surveillance needs.

BULLET SERIES

Verkada's Bullet Series delivers enterprise-grade security with leading edge-based processing and onboard storage in a new, bold form factor. Built to withstand the toughest environments, the Bullet Series features a sealed aluminum housing, ensuring cameras stay protected with an IK10 and IP67 rating.

Industry-Leading Warranty

Verkada offers a 10-year product warranty included with the purchase of your Verkada system.
