- » Impact Resistant

Monitor, computer & accessories not included. Options shown.

Layout Flexibility

Combine different worksurface shapes to customize your learning space

Worksurface Shape & Size Options

Choose from 5 shapes (rectangular, round, half-round, triangular or trapezoid) and numerous size options

Height Adjustability

Steel legs provide 9" of height adjustment

Reinforced Surface

Steel worksurface brace provides added support and minimizes flexing

Accessories

Add a storage tray and backpack hanger bracket to create the perfect work center

Impact Resistant

Scratch and impact-resistant high-pressure laminate worksurface
