

The ByteSpeed Performance B660T Mini PC is tiny but awesome, featuring 14<sup>th</sup> Gen Intel processors and measuring only 7.04" x 7" x 1.34" with desktop performance. It features a proprietary thermal solution with a copper based heatsink and a high-efficiency blower. Comprehensive connectivity with nine USB ports including a USB 3.2 Gen1 Type-C on each front and rear panel and three displays makes it an ideal solution for business use.

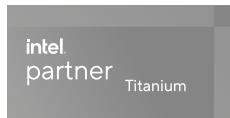

The ByteSpeed Performance B660T Mini PC is backed by a 5-year warranty and free lifetime tech support.
