# ByteSpeed Value NUC MNK

The ByteSpeed Value NUC MNK Mini PC offers seamless connectivity with a host of I/O ports on its front and rear panels, supporting up to three 4K displays and offering high-speed networking performance. The front panel features a headset jack, one USB-C and a USB Type-A port; while the rear includes two USB Type-A ports, one USB 2.0, one USB-C with DisplayPort, one DisplayPort, HDMI, and one LAN port. The lightweight 0.56-liter chassis blends well in any setting and can be VESA mounted on a wall or on the back of a monitor, saving space at home or in the office.

ByteSpeed Value NUCs are backed by a 5-year ByteSpeed warranty and free lifetime tech support.
