Cable Management

The continuous cord channel makes it easy to organize cables and keep the worksurface free of clutter

2 Size Options

Available in 36" and 72" wide options to provide the perfect fit

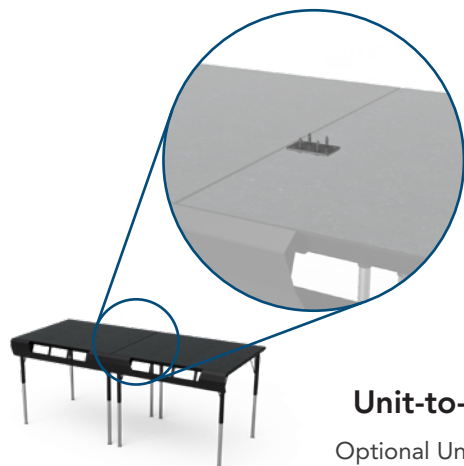

Height Adjustability

Adjustable steel legs provide 9" of height flexibility for a custom fit

Glides or Casters

Offered with glides or casters to control your mobility

Unit-to-Unit Bracket

Optional Unit-to-Unit Bracket connects worksurfaces to keep rows aligned and simplify cable management

ADA Compatibility

Ensures accessible, user-friendly design for diverse gaming needs
