Monitor, computer & accessories not included. Options shown.

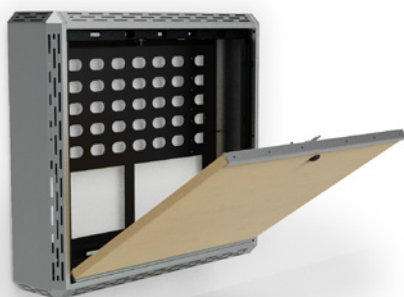

## Modular System

Modular wall-mounted storage for AV gear and technology components

## Optional Connector Kit

Seamlessly link multiple credenzas with a Connector Kit that ensures a secure, unified installation

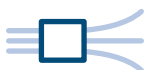

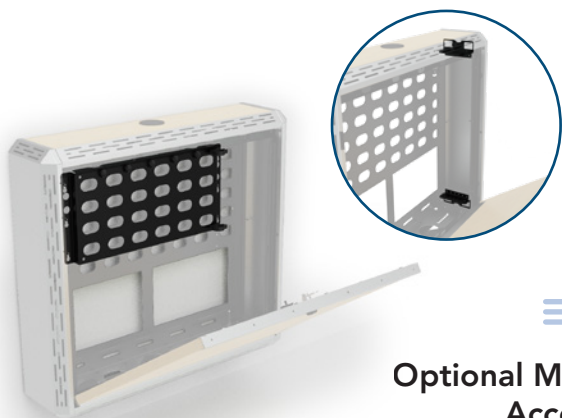

## Lockable Door

Effortlessly access your equipment while maintaining a clean, secure setup

## ADA Compatibility

Minimal 6" profile blends seamlessly into spaces and supports ADA standards

## Optional Mounting Accessories

Simplify your AV setup with optional wire management and rack-mounting accessories that keep everything neat and secure

## Optional Shelf

Expand your storage potential with an optional internal shelf
