Esports Locker Item# 37418

Ample Storage

Provides plenty of room to store personal items, extra keyboards, headphones, or other peripherals

Up to three lockers can be stacked and fastened together, and may also be secured to a wall, floor, or permanent surface for added stability

Branding Flexibility

Offered in your choice of red, orange, yellow, green, blue, gray, white or black doors to match team branding

Optional Toe Kick

Raises locker stack 5 inches off the floor to prevent damage to ground-level locker doors

V

Durable Construction

Durable powder coated steel provides a long lasting finish
