

ByteSpeed TRX50A Workstation for Deep Learning AI & Data Science

The ByteSpeed TRX50A is designed for the future of AI computing, with the power and connectivity needed for demanding AI applications. The Pro WS TRX50-SAGE WIFI A motherboard offers elite speed, compatibility and stability tailored to content creation, software development, machine learning, and AI era applications. Whether you're crunching numbers, designing intricate structures, or training AI models, this workstation has you covered.

Inwin RL400LC Chassis

The ByteSpeed TRX50A Workstation is backed by our excellent ByteSpeed 5-year workstation warranty and free lifetime tech support.

PRODUCT FEATURES:

- ✓ Powered by AMD Threadripper Processors
- ✓ Ultrafast Connectivity and Networking
- ✓ 5-year ByteSpeed Workstation Warranty
- ✓ Free Lifetime Tech Support

InWin PL052 Chassis

System Specifications

Board:	Pro WS TRX50-SAGE WIFI A
Chipset:	AMD TRX50
InWin PL052 Server Chassis:	Dimensions: 22.1" x 7.9" x 16.9" Required fan: INWIN 120mm FAN + INWIN 120mm fan holder for PL052 Middle
InWin RL400LC 4U Server Chassis:	Dimensions: 28" x 23.5" x 12.2" Required fan: BE QUIET! Silent Wings 4 PWM 140MM
Processor:	AMD Threadripper 9960X 24-CORE AMD Threadripper 9970X 32-CORE AMD Threadripper 9980X 64-CORE
Kingston Memory:	Up to 512GB DDR5 5600MT/s (64GBx8)
Kingston Storage:	512GB, 1TB, 2TB, 4TB PCIE M.2 SSD <i>Note: 4 x NVMe/PCIe MAX, 4 x SATA max</i>
GPU: <i>Min. 1 required</i>	NVIDIA RTX 2000 16GB GDDR6 NVIDIA RTX PRO 4000 Blackwell 24 GB GDDR7 (MAX 4) NVIDIA RTX PRO 4500 Blackwell 32 GB GDDR7 (MAX 4) NVIDIA RTX PRO 5000 Blackwell 48 GB GDDR7 (MAX 4) NVIDIA RTX PRO 6000 Blackwell MAX-Q 96 GB GDDR7 (MAX 3)

Operating System:	Windows 11 Pro x64 Ubuntu 22.04
Cooler:	NOCTUA NH-D9 TR5-SP6 4U, 92MM Fans Heatsink
Power Supply:	BE QUIET! STRAIGHT POWER 12 1200w 80 PLUS PLATINUM ATX 3.0, Fully Modular BE QUIET! STRAIGHT POWER 12 1500w 80 PLUS PLATINUM ATX 3.0, Fully Modular
Accessories:	INWIN L/R BRACKET KIT FOR PL SERIES, P-HANDLE. KIT.PLV INWIN HDD HOT SWAP BAY 4X SK34-02 BAYS, BACKPLANE MODULE
Warranty:	5 Year Workstation Warranty Free Lifetime Tech Support
